GOLF

The 9 Hole short “Pitch and Putt” Academy course makes a challenging but fun short course for golfers of all levels. For the more experienced player it is ideal for practicing your short game, whilst for those new to golf it can help build the self confidence needed to take on the main course in a perfect setting to learn the game.

Please note: strictly only sand wedges and putters to be used on the Academy course.

FOOTGOLF

A fun and exciting sport played on a golf course with a football!

Something new and exciting has landed at Bromsgrove Golf Centre - FootGolf. This 'hybrid' sport is growing in popularity across the UK and is terrific fun for anyone with a passion for golf and football.

Footgolf has no restrictions or age barriers, anyone can play...the game is challenging, enjoyable and great fun. Played over 9 or 18 holes (playing round twice) on the 9-hole Academy Course with a slightly smaller than standard football. The object of the game is to place the ball into the hole using only your feet in the fewest number of shots possible.
