

### **Important message to members who pay their fees by Direct Debit.**

As the golf course has now re-opened for play, we are writing to you to give you advance notice that direct debit payments for those members whose payments were suspended by the Golf Centre at the time of lockdown will recommence on the 3rd June.

However, If you still prefer to keep your membership on temporary hold at the moment and you don't intend to start playing before July (and you haven't already informed us) then please let us know and we will withhold payments until further notice. In addition, may we draw members attention to the following

- Please consider and let us know if you can pay by a single payment this year as this would greatly help with our cash flow and running costs at this moment in time. Bank details are provided below, or you can pay at reception.
- Membership renewals will be despatched very shortly. Renewal months will remain the same with a credit note being issued shortly to cover the lockdown period, this will balance and agree back to your annual balance/statement.
- Information regarding any global category changes and membership fees will be posted in the Members Area of our website and included in renewal packs.
- If you would like to make an appointment to discuss your membership in person, please use the contact details above. (Social distancing will be maintained)
- Buggy's are available for hire with social distancing rules being applied. As sharing is not allowed we have introduced favourable rates; 18 holes £12.00, 9 Holes £10.00 (Subject to further amendment shortly)
- Can we please direct 8 Month Members to refer to 'Membership Fees & Updates' in the Members Area of our website for the latest information on their payment schedules?
