

The Pairs Stableford took place on Saturday 10th September

The format was a stableford competition which was played in ideal golfing weather. The competition was contested by 40 pairings involving 80 members.

The course was in a reasonable condition considering we are in the middle of the autumn maintenance programme and a big thank-you goes to the greens staff for the efforts especially after the torrential thunderstorm on Thursday.

The winners were Rhys Short and James Whitehouse with a score of 44 points. They just pipped the team of John Glover and Richard Ewen who returned a score of 43 points

Third place, on countback, went to Andrew Wilkes and Leon Demicoli scoring 42 points.

All prizes will be added to the member's card account, in the near future, and the trophy will be presented to Rhys and James on Saturday 12th November at the presentation evening.

Finally, a vote of thanks goes to Angela Smith and John Kelly for organising and running the competition. Full results are detailed below.
