Adult / Junior – Academy Course – Stage 1

Our first step onto our membership pathway provides beginner golfers that are not quite ready for the challenges of the main golf course, the opportunity to utilise all of the fantastic practice facilities we have on offer here at Bromsgrove Golf Centre along with unlimited use of our short, tranquil 9-hole Academy course. This opening stage of membership provides the perfect chance to build confidence and gain some of the basic skills required to advance onto the main course.

Adult / Junior – Lite Membership – Stage 2

Our second step up on our Annual Membership Pathway offers beginners all the benefits from within the Stage 1 Membership plus the opportunity to play 9-Holes per day on the main golf course before 9am (from the 10th tee) or after 1pm. Rounds taken outside these times are chargeable.

Although this Membership does not provide an official handicap, Juniors can gain an unofficial blue course handicap (playing in pre-arranged events from Blue Tees (course specifically adapted for Juniors) and play in the Rising Stars Junior Golf League.

Adult Pathway Affiliated Silver Membership – Stage 3

The final transitional stage of our Adult Membership pathway allows golfers to progress into an unlimited Weekday Silver (or Gold) membership utilising the main course.
