Neil McCluskey
Senior Account Manager

Agenda

- Introduction to ClubV1 Member Hub/App
- Downloading ClubV1 App
- Using ClubV1 App
- Q&A

Features Overview

Features are being added all the time to the hub, however here is an overview (Mar 2018)

- * The HUB is a fully responsive secured area, containing Member information which is automatically updated and driven by **ClubV1**.
- * The hub can be used as an Android/Apple app or just as a Members area from a 3rd party website.
- * User friendly - Navigate using keyboard or mouse, touch pad or touch screen.
- * Browser compatibility - Works on Google Chrome, Mozilla Firefox, Opera, Safari and even Internet Explorer.
- * It is the central HUB for members to access all information.
- * The design will be used on other member facing products to enhance and improve the user journey and familiarity.
- * This is a great tool to supply the membership with valuable information in real-time.
- * Take the workload away from the office, allowing members to update the personal information.

- Course Status – Realtime updated course status maintained by ClubV1 Home.
- Latest Club News Article – Maintained from ClubV1 > Communications > Club News.

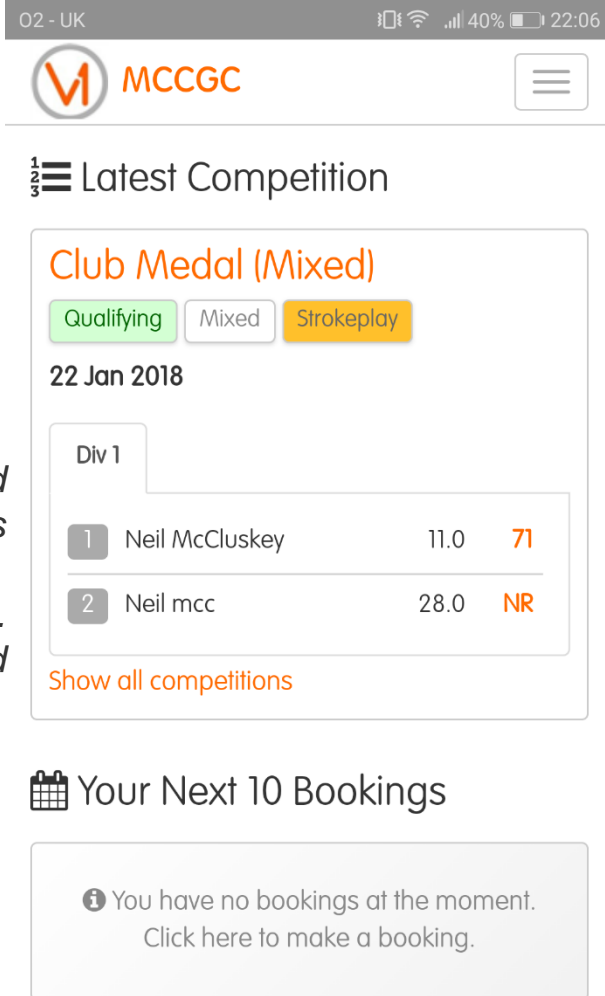

The screenshot shows the ClubV1 Members Hub app interface. At the top, the status bar displays '02 - UK', signal strength, Wi-Fi, 40% battery, and the time '22:06'. The app header features the 'MCCGC' logo and a menu icon. Below the header is the title 'ClubV1 Members Hub'. A circular profile picture of Neil McCluskey is shown, with his name 'Neil McCluskey' underneath. The main content area has a 'Course Status' section with a green 'OPEN' button, 'Updated: 12 minutes ago', and 'No Further Details'. Below this is a 'Latest News' section with a news card for 'GCMA (East Anglia)' featuring a navigation menu (Home, Members, General, Meetings, Matches, Contact Us) and a background image of trees.
