

New Members FAQ's

How to get a handicap

You will need to play 3 rounds of golf (played anywhere in England) recorded on score cards and each signed by a member that has a valid handicap certificate, usually a club member.

Take photo's of each of your 3 score cards, then staple the cards together with your contact details and leave them behind reception for the attention of the handicap secretary.

Within a few days your handicap will be created and ready to enter competitions....

Useful Websites / Apps to get you started.....

- **BRS** 

This is the app you would use to book tee times here at BGC.

See the url: <https://members.brsgolf.com/bromsgrove/login>

You will need:

username (usually your membership number, eg 1234)

password (can be changed from the default password that is supplied)

- **HowDidIDo (HDID)** 

See Google Play or Apple App Store to download the App

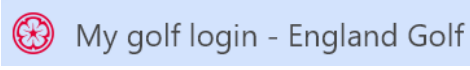

Use this app to book into BGC Club competitions , medals / stablefords plus trophy competitions. You can also see the results of each competition you've entered.

- **Club V1** 

See Google Play or Apple App Store to download the App

This app syncs with HDID, and provides the extra functionality to see the credit (£) on your members card along with transactions made through it.

You can add money onto your members card from this app or set a minimum credit level to top it up.

- **England Golf** 

See the url: <https://www.Englandgolf.org/my-golf-login>

You will need:

username (usually your CDH membership number)

password (needs to be set)

Track your handicap and qualifying rounds / scoring history that has been registered. And see score history of 'friends' you're connected with.

A handicap certificate can also be generated within this site.

- **Trackman**

See Google Play or Apple App Store to download the App

With the introduction to Trackman in the Driving range, the data generated from the shots you've hit can be viewed from this app.
