

# Golf Managers Report 3<sup>rd</sup> December 2025

## **Directors Update.**

No further updates.

## **Presentation Evening.**

The two-course dinner was thoroughly enjoyed by all those who attended, and it was particularly heartening to see that ticket sales surpassed last year's numbers. A special commendation goes to the house and kitchen teams for their exceptional effort, serving approximately 90 two-course meals within just one hour – a truly impressive feat.

Both captains and the Chairman, along with everyone involved, did a splendid job in welcoming the members and presenting the trophies, adding a sense of occasion to the evening. For safekeeping, the trophies have now been placed into storage until January 2026.

## **Primrose Hospice Bereaved Children**

We recently reached out to members with details of our annual Christmas Party for Bereaved Children, organised in partnership with Primrose Hospice.

Reflecting on last year's event, which saw us welcome 30–40 children whose parents were terminally ill or had recently passed away, we were deeply moved by the sense of community and compassion displayed by everyone involved. The evening was truly uplifting, with every section of BGC coming together to create something special, leaving us in no doubt that this Christmas party should become a much cherished annual tradition.

We are delighted to share that our suppliers have once again pledged their support for this fantastic occasion.

In our appeal to members for contributions to help us provide a small gift for each attending child, once again the generosity shown has been nothing short of remarkable. The overwhelming response embodies the very best of BGC, highlighting the kindness and goodwill that define our club.

We extend heartfelt thanks to everyone who has supported this initiative, whether through donations or by simply spreading the word. Your thoughtfulness is making a real difference for these children at what can be a difficult time of year, and we are truly grateful for your continued support.

## **Bain Marie**

We are pleased to announce that our brand-new, custom-built Bain Marie is scheduled for delivery on Thursday, 4th December, replacing our faithful 30-year-old unit which recently reached the end of its service. They truly don't make them like they used to!

We anticipate only minor disruption to our menu during the installation, which will take place early Thursday morning, and appreciate your understanding as we upgrade our kitchen facilities to better serve you.

## **Golf Course Maintenance.**

As Adam and Phil will be present at this meeting, they will provide an update and outline their plans for the upcoming winter maintenance programmes, offering the committee an opportunity to learn more about the work that will be carried out over the coming months.

## **Women's Social Golf Community.**

As the Winter evenings draw in, we are delighted to announce an exciting addition to the Women's Golf Community calendar. To bring members together and foster a sense of camaraderie, we have introduced a Range Night on Monday, 15th December, commencing at 19:00. For an entry fee of just £5, participants will not only enjoy some quality fun time on the range but also receive a complimentary drink to savour in Edwards afterwards.

It promises to be a wonderful opportunity to sharpen your skills, socialise, and unwind in a relaxed atmosphere. We warmly encourage all members to join by registering on the **WhatsApp** group app for what is sure to be a thoroughly enjoyable evening.

## **Showers Decommissioned.**

Regrettably, at this time of year, we are required to temporarily decommission the showers. Following the recent annual service, our engineer has taken the necessary steps to safely isolate the shower facilities until further notice. We appreciate your understanding and patience as we carry out this essential maintenance and will keep you updated regarding their reinstatement in due course.

## **Trackman Food Ordering App**

We are pleased to share that our trials of the Range food ordering app have been successful, with all features operating smoothly. To further enhance your Trackman experience during the bustling festive season, we have introduced a soft launch of our breakfast bap menu and a selection of drinks through the app, exclusively delivered to the range bays by the clubhouse team. This initial reduced menu aims at streamlining service to ensure you receive your favourites quickly and conveniently at this busy time of year.

**Season's Greetings.**

As we gather for our final meeting of 2025, we would like to extend our sincere gratitude to every one of you for your unwavering support of BGC throughout the year.

Your dedication and professionalism have helped to make our club special. On behalf of the Directors , Managers and the Team at BGC we wish you and your loved ones a joyful, peaceful, and healthy Christmas, and look forward to seeing you over the festive break.
