

Dear Member,

Renewal for the upcoming season, with payment due by 1st March 2026.

We trust you've made the most of your break from the fairways and the unpredictable weather and are now looking forward to returning refreshed and ready to embrace the new golfing season. With spring just around the corner, we're excited to welcome you back to the course.

Although your 8-month membership will officially recommence on 1st March, we are pleased to inform you that your full playing rights have already been reinstated to allow you to make tee time bookings from the 1st of March, if you fancy a complimentary pre-season round.

Please take a moment to check your membership category and BRS login after February 9th to ensure all is functioning as required.

If you paid your membership by monthly Direct Debit last year and allowed us to suspend your payments before the winter break, you do not need further action. Payments will automatically resume on March 3rd at the 2026 rate, which you can view under the Membership tab on the BGC website.

Please note that these fees also reflect the increase in the England Golf affiliation fees and Members Fund. A point of clarity for those members who pay by monthly Direct Debit, these fees are collected in **eight equal instalments**. No charges are made for the Winter 4 Months allocated as Bronze Membership.

If you are considering switching to a different membership category, please contact us as soon as possible.

If you wish to cancel you must inform us at least 7 days before the collection date.

Please note that we do not charge an administration fee for changing your membership category or adjusting your direct debit amount at renewal. However, we reserve the right to impose a discretionary charge if a member requests a further amendment after an initial update.

For all membership changes please pop into the Golf Centre or contact us at enquiries@bromsgrovegolfcentre.com
