Seasonal – 8 Month

Seasonal 8-Month Lite Membership 2026 / 27

We can all get disappointed by gloomy winter weather forecasts and our moods frustrated by those dull, drab, grey, wet winter days. Inundated with news that wetter warmer winters are now going to become the new norm doesn't help to inspire.

How frustrating the prospect of all this can be, and it seems for prolonged periods in the future especially for those players who may have mobility issues.

Bromsgrove Golf Centre has considered this and is proud to promote a range of membership options that provide members with the opportunity to select a great value category that can mirror their current playing requirements tailored to both associated cost and playing potential.

With regards to Winter play, we have an ideal innovative solution for those members who prefer to play their golf through the summer months and then hibernate for the winter.

However, these members may also wish to continue visiting and enjoying the clubhouse and golf range member discounts during bad weather.

Our unique Seasonal (8-month Membership) is a Lite version of our Gold and Silver categories of Membership. These categories have become increasingly popular with new and existing members. Not only are there valuable financial savings that one would come to expect over 12-month rates, but the benefit of retaining a form of membership and using the Golf Centre's facilities through the 4 winter months as a bronze member. Lite Membership provides the best of both worlds and not to forget our assurance that come the start of winter and the Sun's shining, the weather forecast positive, and you regret selecting the Seasonal option. Then don't worry as we always contact you to offer the option to keep on playing, you can review the cost and upgrade to the 12-month category without any admin fees.

Our Seasonal (8-month) Membership is something of a rarity as in reality it provides a full 12-month Membership.

8 months Gold or Silver Lite Membership from March to October Gold Lite Includes Unlimited golf 7 Days a week or Silver Lite includes Unlimited golf Monday to Friday.

Plus 4 free months of Bronze Membership from November to February which includes all the benefits as detailed below.

Throughout the 4 Off-Season months, our Seasonal Lite Membership is automatically switched to Bronze

Membership. Members in this category continue to enjoy all the benefits that Silver and Gold membership provides other than inclusive unlimited golf. Members' cards remain active, enabling them to make use of the various member discounts available in the bar and restaurant and on the driving range. Also, if you do fancy a round of golf this can be played at our Bronze 'Pay as you Go' members (discounted green fee) rates. During this period, you are also safe in the knowledge that your WHS Handicap remains active.

Although our Seasonal (8-month) membership provides fantastic savings over our standard 12-month membership, please be aware Seasonal Lite Members are, unfortunately, excluded from the Network Golf scheme these are the rules of Network Golf. For further information please see www.network.golf

Seasonal Membership is available to join during any of the main related playing months. Payment can be made by either a one-off premium or by 8 monthly instalments by Direct Debit over the main playing.

Months, with the first sum due upon application. No Subscription fees are due during the 4 winter months between November to February.

(sum in brackets = monthly direct debits)

1. Membership fees include a compulsory payment payable to English Golf on the following basis: Men's and Ladies = £27.90pp, Under 18's = £21.30pp
2. Membership fees also include a contribution to the Members Fund at the following rate: Bronze Members £4.00, Silver Members £6.50, Gold Members £8.50 (Gold Intermediates £6.50). Excludes Juniors.
3. All fees include vat except for the Members Fund.
4. Membership requires 8 payments through the period March to October. Direct Debit fees are taken on the 3rd of each month on the understanding, that with this method of payment that all payments are honoured for the agreed term.
5. The annual Locker fee is £30 and not included in the above charges. If paying by direct debit the additional monthly charge equates to £2.50 per month.
6. To calculate the discounted rates for Parent/Junior membership, combine Cat 50 charges with Cat 96 for the bronze rates or Cat 124 with Cat 98/102 for gold rates.
7. Joint membership (couples must live at the same address) is available by combining any two of the Silver/Gold categories.
8. Categories are applied to the age bracket that members fall into on the 1st day of the renewal month. Mid-season category changes due to change in age bracket do not affect monthly direct debit payment values until the following renewal season.
