

33RD ANNUAL GENERAL MEETING

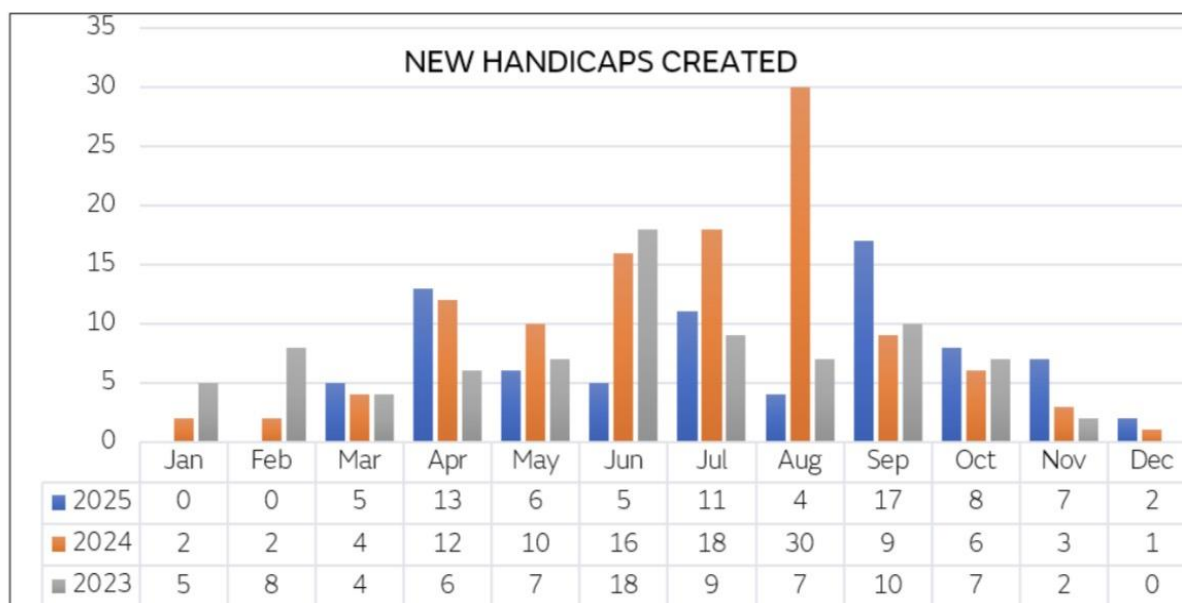

THURSDAY 22ND JANUARY 2026

HANDICAP SECRETARY'S REPORT

Handicap Summary

The club has a healthy membership of 1,046 in 2025 compared to 845 in 2024.

- Of the 1,046 active handicaps 214 members didn't have the necessary 4 qualifying competition cards in the last rolling 12 months which excludes them from team competitions and from the club's trophy competitions.
- In 2024, 113 new handicaps were created in 2025 this decreased to 78.

Weekend and Midweek Medal, Stableford and 9-Hole Competitions

There has been a good increase in competition entries in 2024 up from 4,079 to 4,403 especially Stablefords. Junior section continues to grow with entries increasing from 118 to 131 thanks to Cathy and her team.

DATE	2024	2025
Medals	1,746	1,658
Stablefords	2,215	2,614
Junior	118	131
Totals	4,079	4,403

Singles Winter League

Entry levels for the Singles Winter League have increased to 122 compared to last year of 116. Playing from the yellow tees may have contributed to the increase.

Annual Handicap Review Meeting

The annual handicap review meeting will take place at the end of January. If any member has a medical reason that they believe should be considered for review, please let us know. Long periods of deciding not to play golf do not qualify for a handicap review.

Finally, thanks to the committees for supporting the handicap team, we look forward to the next 12 months serving the members and if anybody has any questions about
